

Liability Release Indemnity Agreement

(319) 800-9643

****CAUTION: THIS IS A RELEASE PLEASE READ CAREFULLY****

I agree that I have chosen to be on the property where Rocket Ministries holds equestrian classes & activities, and will be in proximity of, and possibly work with and/or ride the horses, may receive riding instruction and/or assist with property maintenance. I assume full responsibility for any and all bodily injuries or damages sustained where classes/activities are held, when riding horses and/or when maintaining the property. I understand that Rocket Ministries requires me to wear properly fitted and secured ASTM-standard/SEI certified protective headgear at all times when riding horses.

I, for my heirs, administrators, personal representatives or assigns, release and discharge Rocket Ministries and its employees, agents, board of directors, volunteers, instructors, land owners, and others acting on behalf of all claims resulting from or arising out of my bodily injury or damage that may be sustained which may occur as a result of being on the property where Rocket Ministries holds equestrian classes, activities, and farm duties.

I understand that anyone riding, petting or being near a horse, horses or other farm animals can suffer bodily injuries, as a number of inherent risks are associated with a domesticated animal activity. A domesticated animal, horse, may behave in a manner that results in damages to property or an injury or death to a person. Risks associated with the activity may include injuries caused by bucking, biting, stumbling, rearing, pawing, rubbing, trampling, scratching, pecking, falling, or butting. The domesticated animal may react unpredictably to conditions, including, but not limited to, a sudden movement, loud noise, an unfamiliar environment, or the introduction of unfamiliar persons, animals, or objects. The domesticated animal may also react in a dangerous manner when a condition or treatment is considered hazardous to the welfare of the animal; a collision occurs with an object or animal; or a participant fails to exercise reasonable care, take adequate precautions, or use adequate control when engaging in a domesticated animal activity, including failing to maintain reasonable control of the animal or failing to act in a manner consistent with the person's abilities.

It is mutually understood and agreed that the provision of this liability release shall constitute a waiver of liability for injury to, or death of an equine activity participant, including, but not limited to those provided for under the following provisions of the **Iowa Code Chapter 673:**

WARNING

Under Iowa law, a domesticated animal professional is not liable for damages suffered by, an injury to, or the death of a participant resulting from the inherent risks of domesticated animal activities pursuant to Iowa Code Chapter 673. You are assuming inherent risks of participating in this domesticated animal activity.

I represent that I am 18 years of age or older, and of sound mind. I have read and agree to all of the terms of this entire liability release and indemnity agreement.
